KEYS | NOVEMBER 2021

What's New for Dana

My oldest grandson, Will turned 9 on October 30. We have a family tradition of going around the room and saying something about the birthday person. Some of the things that were said about Will are that he's courageous, athletic, self-confident, overcomes obstacles, kind and fun to be around.

I hosted a Worship Keys Workshop for worship keyboardists last month. Eight

attended, from all around the state, including Radcliff, Pikeville, Danville and Henderson.

We went to Shaker Village one Saturday in October with Andrea, Jonathan and the kiddos. It was a beautiful day for it!

Natalea turns 7 on November 3. Happy birthday, Natalea! ●

Megan, Ryan, Natalea, Will, Evie

Tiffany, Jon-Michael, Landree and Hadlee

STUDENT HIGHLIGHT: BEATRIZ BEZERRA

Beatriz

Meet Beatriz Diwan Bezerra, Beatriz lives with her mom Pietra and dad Eduardo. She has two pets Pazoca, an 11-year-old cat and Sailor (almost 2). She also has step-brothers, Caroline (28), André (22) and Daniel (20) who live in Florida. Her dad

and mom are originally from São Paulo, Brazil. They were relocated to work in Miami before Beatriz was born. She was born at South Miami Hospital. They usually travel every year to see their family in Brazil, but they haven't been in more than two years because of covid.

Beatriz is a freshman at Paul Laurence Dunbar. "My favorite subjects are Advanced Biology and AP Human Geography."

Her favorite band is "BTS because they really impacted my life and helped me get through things when I felt sad or insecure."

"I also like watching movies and TV shows with my family since we really enjoy spending our time laughing together."

Beatriz enjoys dance, singing, cooking and listening to music.

She once won a gold medal at the Miami Dade state science fair!

Beatriz says she would love to travel to Korea some time. "My favorite past trip was probably visiting France and having the opportunity to go to the Louvre and admire all of the art."

"I am mainly taking piano lessons because they let me calm down and I also love to learn songs I like on the piano too."

Beatriz' mom says, "Beatriz is my only child and I struggle not to spoil her.... because she is the cutest thing in the world but like any teenager spicy sometimes."

Beatriz is a joy to be around. We always find something to laugh about each week. She loves telling me about her dance classes and competitions and school classes. Beatriz especially enjoys learning to play music she likes, especially pop and now Christmas music. ●
